

Jahan Bhi Hai TV Wahan Chahiye Sound Bar

As TVs are getting thinner, their sound gets dimmer. Although TV is an audio-visual experience, the audio part is always overlooked when selecting a thin display. Every TV requires a Sound Bar to complement its sound, look and create an impressive, cinematic experience in your personal space.

Give your TV, the complete Audio-visual experience.

Unleash Power of Dolby with Octane Dolby WL120

With Dolby support from **Octane Dolby WL120**, you can live, breath and listen to unadulterated entertainment. A full, power-packed experience, where vocals sound like your favourite artist is jamming live and action flicks appear to unfold right before your eyes. It takes your audio to the next level by enveloping you with high-octane sound, all around

4 Drivers - 1 Phenomenal Sound Bar for all your needs

Music

A private concert awaits with rich, mesmerising vocals and incredible bass effects.

Best-in class drivers expands your TV's soundstage and transports you right to the heart of the action with its 3D Sound effect that seems to envelop you from all sides.

News/TV Shows

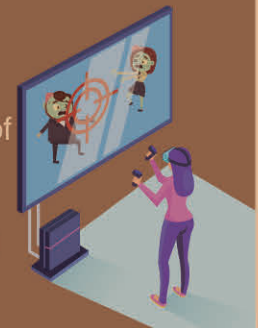

Never miss out on softly spoken sentences and feel the punch of every word with crystal-clear dialogue clarity.

Sports

Transport yourself into the stadium and soak up the action with high-octane sound.

Gaming

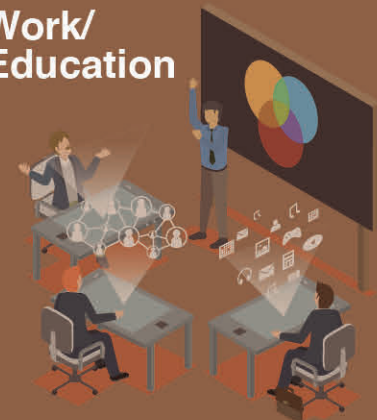

Stay ahead of the game & hear every minute detail that matters.

Movies

Experience the cinema in the comfort of your home with immersive sound. The woofer further bolsters dialogues, explosions and sound effects that feature in modern blockbusters for the perfect adrenaline rush.

Work/ Education

Raise the bar at work, school or conferences with incredible depth and width of sound

Exclusive Eye-catching design

FINGERS Octane Sound Bars are a treat to the eyes and ears, TV and home. With an iconic, space saving profile and futuristic curves, it adds modernity and understated elegance to your interiors.

Customized EQ modes for Movies, Music & News

Octane Sound Bars sound great at both ends of the volume spectrum. And built-in equalizer modes provides the freedom to tailor the sound to your own personal taste.

Multiple Connections & Versatile Playback

With more than 1 method to connect to TV - Enjoy your favourite content the way intended to and play what you want and how you want. Also supports latest 4K entertainment with HDMI ARC.
