

QUBE

COOL COMPACT  
CONVENIENT

# GODREJ INTRODUCES QUBE

The hospitality industry is fast evolving. Every hotelier wants to provide his/her guests with unmatched comforts and facilities. To cater to the cooling needs of the new age hotel room, we present the Godrej Qube- a stylish and compact food and beverage cooler that works on advanced thermoelectric technology. Qube

is a first of its kind cooling device designed especially for the hotel industry, that cools but does not freeze! Its compact design, storage capacity appealing aesthetics and silent operation makes it ideal for use in any hotel room. Qube is a fine example of a revolutionary new lean technology in cooling.
