

SoundDrum Plus

15W Portable Bluetooth Speaker

MRP: 3999

Experience powerful sound like never before, with Portronics SoundDrum Plus, next-generation in the SoundDrum Speakers series. This compact, portable speaker, enables you to take your music wherever you go, as it easily fits in bags without adding extra weight. Enabled with the latest Bluetooth 5.0 technology, the wireless speaker connects at lightning speed with all devices, and consumes lower energy to keep it charged longer. The bluetooth speaker is designed to withstand all weather conditions, and is made with IPX6 protection, making it perfect for outdoor gatherings. It also comes with an in-built speaker, that allows you to multitask. It lets you make and receive calls anywhere; while outdoors, doing chores at home, swimming, exercising, or even taking a conference call. Its crystal clear sound and wireless ability ensures you hear the words clearly and enjoy the conversation. If that is not all, it also comes with a lithium-ion, high-powered 2500 mAh battery, that allows the bluetooth speaker to smoothly function for 5-6 hours in a single charge. SoundDrum provides an interruption-free music experience for you and your loved ones.
