Mute : To Mute / Unmute for currently playing song

General Instructions
BT Mode:

Switch the speaker to BT mode, Scan for nearby BT devices in your device. Tap on "**ZEBRONICS**" to connect.

USB Mode:

Insert the USB flash drive to the speaker. The speaker will detect the USB and the audio files from flash drive will be played automatically. (This mode isn't selectable on the speaker or remote control unless a USB flash drive is connected).

Ensure that your USB flash drive contains MP3/WAV/WMA files (other file types not supported).

FM Radio:

Switch the speaker to FM mode. In FM mode, press &hold the "**Play / Pause**" button in the remote to scan for the available FM channels. Once the scanning is done, the scanned channels will begin to play. The next button or previous button in the remote can be used to change the FM channels.

AUX-IN:

The speaker can be connected to an audio device using an RCA to 3.5mm cable. Connect the one end of the cable to the speaker and the other end to an audio source.

The songs from the audio source can be heard through the speaker.
