

# LEGION H200 GAMING HEADSET

## EXPERIENCE EVERY DETAIL.

The Lenovo™ Legion H200 Gaming Headset is designed to satisfy the casual gamer without compromising on quality. Enjoy a rich listening experience, lightweight construction, breathable material, and thoughtful usability features all around.

## WHY YOU NEED THE LENOVO LEGION H200 GAMING HEADSET

### Marathon-Grade Comfort

Designed for endurance gaming, the H200 is carefully crafted for comfort, with ultralight materials and soft, breathable cloth ear cups that can rotate and mold to your ears. It truly is the end of in-game discomfort and distractions.

### World-Class Audio Quality

Experience uncompromising audio that is tuned to perfection and transmitted through premium 50 mm audio drivers. Paired with a unidirectional noise-canceling microphone, you'll experience full immersion from start to finish.

### Seamless User-Experience

Effortlessly control every aspect of your gaming experience with the H200's intuitive volume control located on the earcup and easy flip-to-mute microphone capability.
