WEARING BLUETOOTH A NECKBAND

L   R

A pair of large ear tips
A pair of medium ear tips
A pair of small ear tips

Note: Select ear tips that seal your ear
canals for the best sound. You may need
differently sized tips on the left and right.

POWER ON

Long press the MFB for 4 seconds till
the blue light flashes.
Note: Once on, it will play a voice prompt
"Power On".

POWER OFF

Long press the MFB for 4 seconds till
the red light flashes.
Note: While turning off, it will play a
voice prompt "Power Off".

Note: The Neckband will automatically
turn off after 5 minutes if no device is
connected.

CHARGING

Use the included USB cable to
charge your headset. Make sure
it is fully charged before
first use. To preserve its battery
lifespan, fully charge at least once
every 45 days. Plug in the
Micro-USB end of the charger into
the neckband charging point.
