Dr.Cool has all the tools!

Ear-shaped Premium Earbuds

Unlike conventional circular earbuds, the design of Dr.Cool earphones is ergonomically outlined by the geometry of the ear. Because it is shaped exactly like human ears, they provide superior all-day listening comfort than any other earbud-style earphones.

Build exclusively to stand out - with dual tone earbuds

Everything about the Dr.Cool Earphones is coolness personified. Its exclusive pill-shaped stem and dual tone earbuds are pretty darn good-looking!

Golden L-Pin connector

For extra durability and reducing the chance of breakage.

Chilled out conversations with in-built Mic

Tune into your calls comfortably and hands-free with built-in Mic.

Everything is just a voice command away!

Your Voice Assistant can pop up on demand for calls, tasks and search queries.
