SHAPED &
TUNED FOR

Musical Ears

SoundReflex W5
Wired Earphone

EAR-SHAPED EARBUDS

Unlike conventional circular earbuds, the design of SoundReflex W5 earphone is outlined by the geometry of the ear. Because it is shaped exactly like human ears, they provide superior comfort than any other earbud-style headphones.

POWERFUL NEODYMIUM DRIVERS

For Crystal Clear Audio

The drivers inside SoundReflex W5 have been engineered to maximize sound output and minimize sound loss, which means you get to experience High fidelity sound and breathtaking bass.

BUILT TO LAST

SoundReflex W5 just doesn't look great, they are built to last, too. Assembled with top quality materials, sturdy cable and connector for long-lasting durability.

CONTROL AT YOUR FINGERTIPS

Experience hands-free at its finest with a built-in Mic and remote that lets you adjust the volume and control music and videos playback.

Calls on the move

Don't miss out on any of your important calls while listening to your music. The one-button control on your headphone lets you take hands-free calls without having to reach for your phone.
