SAFETY FOR YOU AND YOUR Noise Buds VS102 Plus
Follow these tips so you can get the best out of your Noise Buds VS102 Plus

Do not expose ear buds to **liquids, moisture or humidity.** It has electronics and a battery in it.

Don't use abrasive cleaning solvents to clean it. Wipe it down with a slightly damp cloth if and when necessary.

Remove and clean the earbud tips **regularly,** to ensure that you always enjoy the best sound possible.

Do not expose it to extremely high or low temperatures as this may damage the battery or even deform the plastic parts.

Don't throw the ear buds in a fire to dispose it. The internal battery may explode.

Don't try to disassemble the ear buds. There are no user serviceable parts inside it.

Try not to drop the ear buds and keep it away from sharp objects such as keys in your pockets.

Charge the ear buds from 5V USB **ports** such as phone chargers and laptops or PCs.

Never listen to music at high volumes or you may permanently damage your hearing.

Pay attention to your surroundings and never wear ANY headphones while **riding, driving or walking** in traffic.

Buds VS102 Plus
