Trouble Shooting

1. Unable to start

Charge the earbuds for 30 minutes and take the earbuds out of the charging case, and it will turn on automatically.

2. Earbuds cannot pair

Go to the mobile's Bluetooth menu and forget/disconnect the "trüke Buds VIBE", and put earbuds back to charging case. Then take out earbuds from charging case and connect/pair with mobile again.

3. Cannot connect to mobile device

Turn off the earbuds by putting them in charging case. Turn off mobile device bluetooth function and turn on it again. Then take out earbuds from case and connect.

4. The earbuds cannot be charged

Make sure earbuds are placed in case with right orientation, gently press them in place and clean the charging pin point.

5. Only one earbud is working with only one earbud/Music play only on one earbud

Step 1: Disconnect from phone and delete the device "trüke Buds VIBE" from your phone's bluetooth menu

Step 2: Take out both earbuds from case and tap 6 times on one earbud and put them back in charging case.

Step 3: Take out both earbuds from charging case and connect with your phone through bluetooth menu.
