HOW TO PAIR

Before queue-ing up with your squad, **Pair up with us** to ensure maximum victories.

Please make sure that the device is fully powered before using the product.

Step 1: Make sure your Bluetooth Headset is charged up. Long press the power button for 5 seconds to power ON the Bluetooth Headset. The headset gives a prompt that it is ON & will enter the pairing mode with white & blue LED flashing alternatively.

Step 2: Turn the Bluetooth of the pairing device ON and Tap "Vader 350" from the device's Bluetooth menu. There is a prompt after a successful connection. This indicates the Bluetooth Headset is successfully connected to your device.

Step 3: Congratulations! You are now connected and can start playing media.

Note: If you do not connect to any device within 180 seconds of entering pairing mode, then Bluetooth Headset will automatically turn OFF. Power ON the Bluetooth Headset again and repeat the process to pair.

BUTTON CONTROLS

Use our button controls to save on those crucial moments between games for better access and functionality during matches.

Power ON/OFF: Long Press the Power button for 5 seconds to turn the headset on/off. You will hear a prompt & Bluetooth Headset is Power ON/OFF.

MIC ON/OFF FUNCTION

The Vader 350 comes with an Extended BOOM microphone. The below-mentioned details will help to use the Mic to its full potential.

Mic LED status

The Mic will automatically turn ON when the connected device is under any mic usage function like calling, meeting etc.

Mic LED status pattern

- Mic not activated - the Mic LED will remain OFF.
- Mic Activated & Mute OFF - the Mic LED will do a breathing effect.
- Mic Activated & Mute ON - the Mic LED will do a breathing effect. The light flashes quickly.

CHARGING THE PRODUCT

Our Charging Speed makes sure to leave your enemies in the dust ! So Charge up and get going !!

Step 1: Turn OFF the Bluetooth Headset before you start the charging process.

Step 2: The Bluetooth Headset comes with a built-in rechargeable battery. Before using it for the first time, we recommend you charge the headset fully. Only use the supplied type-c cable to charge the headset.

Step 3: While charging the headset, the status LED will flash white.

Headset Fully charged:

When the device is fully charged, the LED light will turn off automatically. At this point, take off the Bluetooth Headset from charging. The headphones will then be ready for use.

Headset battery Low:

When the headset is low on charge, it will give a low battery "prompt." When this happens, charge your Bluetooth Headset.

SAFETY AND MAINTENANCE

Please read below suggestions in order to help prolong the product lifespan and clearly understand the warranty clauses:

• Gamers need to hydrate after a long match. That is not the case with our products, so, **Keep the product dry, do not put it in humid conditions to avoid a short circuit.**

• We understand you carry the fire of a gamer within you, but please, **Do not expose it to the peak sun or high heat for extended periods of time as this will shorten lifespan of electronic components, damage battery and deform some plastic parts.**

• You may be Captain Cool leader of your squad but our products work best without a cold environment, so, **Do not put it in cold circumstances to avoid damage to the PCB board.**

• We know you are tech geeks and can build your own gaming PC from scratch, but, **Do not attempt to dismantle the product, as it may be unsafe especially for non-professionals.**

• Gamers are tough and our Products are tougher, but please **Do not use chemical products, detergent, oily liquids to clean the item.**

• In game, the bullets and knives are the norm however, **Do not scratch the surface with sharp items to avoid damaging the case and appearance.**

• We understand your passion for power, but in this case, **Less is More, so, Do not charge the product for more than 5 hours to avoid loss in battery life.**

• Being immersed in the game is one thing, yet **Avoid hearing music at maximum volume for long periods as this can affect your hearing and is not advisable.**

Note: Any damage to the product that is not a manufacturing defect will render the warranty null and void. Therefore, please take utmost care
