For more information on safe disposal, recycling and you may log on the https://www.realme.com/in/legal/e-waste-management or write an email to <u>service@realme.com</u> or contact our Toll Free Nunber: <u>1800-102-2777</u>

Disposal and Recycling Information

This symbol (with or without a solid bar) on the device, batteries (included), and / or the packaging, indicates that the device, batteries and its electrical accessories (for example, headset, adapter or cable) should not be disposed of as household garbage.

CE certification information (SAR)

This device was tested for typical body-worn operations with the back of the tablet kept 0.5cm away. To maintain compliance with RF exposure requirements, use accessories that maintain a 0.5cm separation distance between the user's body and the back of the tablet. The use of belt clips, holsters and similar accessories should not contain metallic components in its assembly. The use of accessories that do not satisfy these requirements may not comply with RF exposure requirements, and should be avoided.

If you are using pacemaker, hearing aid, cochlear implant or other device, please use the tablet according to the doctor's advice. Notice:

Observe national and local regulations where the device is used. This device may be restricted for use, depending on the local network. The operation frequency in 5150-5350MHz of Wi-Fi 5G are restricted to indoor usage only.

Please check Radio Waves Specifications in the user manual to see whether this product supports Wi-Fi 5G or not.

Product Warranty Information

I. Service Terms Thank you for using realme tablet. We will provide our product with comprehensive warranty services in accordance with applicable national laws and regulations. In case of any conflict between the following policies and the National Policies, or Commissions, the national policies shall prevail.

1. Within 12 months from the purchasing date, in the event that performance failure occurs from normal use, consumer can claim for maintenance. The accessories such as charger, data cable have a 6-month warranty. The battery (including internalbattery) has a 12-month warranty

2. Please ask the dealer to issue an invoice and keep it in a safe to avail warranty services.

3. Valid purchase invoice: the invoice shall indicate the serial number of the tablet, factory serial number (batch number) of the accessories (battery and charger), product model, sales date, Seller's seal, amount and so on.

4. A valid invoice are essential for protecting your warranty rights. (Valid invoice: the information filled in shall be complete, true and correct without alteration). If you lose the valid invoice and are unable to provide us with a photocopy of them, we will provide your tablet with a 12-month warranty service beginning from the 90th day after the manufacturing date or activation date of your tablet.

5. Our warranty does not cover the other accessories for the product (for instance: the user manual, warranty card, etc). Note: The above warranty is only valid for the products sold in this

country. realme have the right of final review and interpretation for the warranty policy.

II: Warranty Instructions and Conditions

1. Your warranty (please refer to the Warranty Information Card) is only valid under normal use of your device. All man-made damages and any of the following conditions are out of free warranty, but a repair can be still implemented at your own cost:

A. The warranty period has expired;

B. Damage caused by human factors, including damages caused by usage under improper operating environment and the failure to the user

C. The customer disassembles, repairs or modifies the device without the Company's authorization or has it repaired at a repair shop that is not included in the Company's approved repair network; D. Damage caused by a force majeure (such as floods, fires, earthquakes

and lightning); E. The user is unable to provide valid proof of purchase or the product

model and barcode do not match or are altered. F. Natural wear and tear of the product (such as casing, keypad, display screen, antenna and other accessories).

6. Faults, damages or defects not caused by the company; H. Barcode and warranty labels are damaged and unrecognizable.

2. Others

A. External damages(including wear, tear, and scratches) are not entitled to the warranty service;

B. Faults caused by the Internet and wireless information service providers (operators) are not covered by the warranty; C. Our warranty does not cover services verbally promised by the dealer which violate principles set forth on the warranty card. For products th meet the replacement requirements, you can visit to our nearest Authorized Service Centre for replacement. Upon replacement, if the device is faulty, we can replace it with a device of the same

specification and model: if any accessory is faulty, the faulty accessory will be replaced. Both replacements are free of charge.

If any of our products is required to be fixed, you may take it to any realme Authorized Service Center.

4. If the product requires repair since water enters the device or it is seriously damaged by human factors, the customer needs to sign the repair job sheet form with the realme Authorized Service Centre firstly; 5. All components, parts and accessories replaced during the warranty period shall become the property of the Company.

III: Considerations for Sending the Device for Repair and Collectina It

1. When completing the realme tablet Repair Form, the customer must fil in valid information in clear handwriting as required (name, address, phone number and fault symptoms);

2. Before sending your device for repair, please back up all information and data you have saved on the tablet (such as phone numbers, text messages and pictures) before you delete them to prevent loss or damage during the testing and inspection process. In any

circumstances, realme Authorized Service Centre and its staff will not be responsible or obligated to back up or recover your information and data, or accept responsibility for any consequence arising from the loss damage or leakage of your information and data. Please ensure the legality of the information and data you have saved. To respect your privacy, we will not transmit, backup or examine your information and data(unless they are necessary for us to provide you with services), and we reserve the right to refuse to provide services for illegal content; 3. The Customer shall collect the tablet by presenting the realme tablet Repair Form. In case the Customer loses the Customer Copy, the Customer shall go through the loss reporting procedures with his/her personal ID or valid proof of identity before collecting the tablet.
