**PHILIPS**

# Highlights

## 750W Turbo Motor

Newly designed powerful Turbo motor for continuous grinding - 750W Turbo motor that gives you the grinding experience even with tough ingredients like Black whole gram (dal) for preparing tasty Vadas and Dosas.

## Advanced Air ventilation

The advanced air ventilation system provides faster cooling of the appliance which ensures longer life of the motor.

## Durable coupler

The coupler is made of tougher plastic material for firm engagement between the jars and the

body which ensures continuous grinding performance; while you focus on your cooking.

## Food-grade rust-free jars

Food-grade high quality stainless steel jars enable grinding of batters, purees and pastes milkshakes and lassis in the same jar. The semi-dome transparent lid allows you to see the ingredients for perfect consistency to suit your way of cooking.

## Specialised blades

Specialized blades helps to cut even the toughest ingredients and gives the finest paste and smoothest shakes and purees for daily cooking especially for smooth grinding preparation of chutneys, dips, masalas and pastes

## Leak proof jars

Specially designed rubber gaskets for the lids of wet and chutney jars that guarantee a tight fit and smooth and secure locking.

## Unique triangular body

Unique triangular compact shaped body with less grooves for easy cleaning.

# Specifications

## Accessories

- Included: Jar

## Country of origin

- Made in: India

## General specifications

- Number of speed settings: 3
- Product features: Pulse

## Service

- 2-year worldwide guarantee

## Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

## Technical specifications

- Capacity jar: 1.5 - 1.0 - 0.3 L
- Cord length: 1.2 m
- Power: 750 W
- Voltage: 230 V

## Weight and dimensions

- Dimensions of packaging (LxWxH): 368 x 217 x 259 mm
- Weight incl. packaging: 3.9 kg
- Weight of product: 3 kg

## Finishing

- Material blade: Stainless Steel
- Material jar: Stainless Steel
- Material of main body: High grade Plastic
