Safety Hazards

WARNING

- Please read these safety warnings carefully to ensure your personal safety and to prevent product damage:

Fire and Electric Shock Hazard

- Do not expose your Evoke Cube⁺ to extremely high or low temperatures.

- Do not leave your Evoke Cube⁺ in direct sunlight for extended periods of time.
- Do not leave your Evoke Cube⁺ near open flames such as cooking burners, candles, or fireplaces.
- Do not block any ventilation openings.

Battery/Charger Hazard

- Do not dispose of your Evoke Cube⁺ in the fire. The battery could explode causing severe injuries.
- Only charge the battery in accordance with the user instructions supplied with the product.
- Do not attempt to disassemble the Evoke Cube⁺ charger or force open the built-in battery because this may result in electric shock causing injury.
- Do not clean the Evoke Cube⁺ when it is being charged. Always unplug the charger first before cleaning.

Automobile Accident Hazard

Do not leave or store the Evoke Cube⁺ or any of its accessories near or over your automobile's airbag area because a serious injury may result when an airbag deploys.

CAUTION

- Do not use abrasive cleaners to clean your Evoke Cube⁺ because this could cause scratches and damage.
- Do not bring your Evoke Cube⁺ into contact with any sharp objects because this could cause scratches and damage.
- Do not insert anything into your Evoke Cube⁺ unless otherwise specified in the user instructions. This may damage the internal components.
- Do not attempt to repair, modify, or disassemble your Evoke Cube⁺ yourself, it does not contain any user-serviceable

components.

- Do not attempt to replace your Evoke Cube⁺ battery, it is built-in and is not changeable.
- Observe all signs and displays that require an electrical device or RF radio product to be switched in the designated area.
- Turn off your Evoke Cube⁺ prior to boarding an aircraft. Do not use Evoke Cube⁺ inside an aircraft unless allowed by your airlines.
- Dispose of the Evoke Cube⁺ and the Evoke Cube⁺ battery in accordance with local regulations. Do not dispose of the battery with regular household waste.
