Please read below suggestions in order to help prolong the product lifespan and clearly understand the warranty clauses:

SAFETY AND MAINTENANCE 🕝

. Gamers need to hydrate after a long match. That is not the case with our earbuds, so, Keep the product dry, do not put it

in humid conditions to avoid a short circuit. We understand you carry the fire of a gamer within you, but

please. Do not expose it to the peak sun or high heat for extended periods of time as this will shorten lifespan of electron components, damage battery and deform some plastic parts

 You may be Captain Cool leader of your squad but our. products work best without a cold environment, so, Do not put it in cold circumstances to avoid damage to the PCB board.

 We know you are tech aeeks and can build your own gaming PC from scratch, but, Do not attempt to dismantle the product, a

it may be unsafe especially for non-professionals. Gamers are tough and our earbuds are tougher, but please Do not use chemical products, detergent, oily liquids to clean

 In game, the bullets and knives are the norm however. Do not scratch the surface with sharp items to avoid damaging the case and appearance.

 We understand your passion for power, but in this case, Less is More, so, Do not charge the product for more than 5 hours to avoid loss in battery life.

 Being immersed in the game is one thing, yet Avoid hearing. music at maximum volume for long periods as this can affect

your hearing and is not advisable.
