The wall mounting bracket is not included in the box. It is sold separately.

*
Screw and plastic plug are NOT included in the box of the bracket.

CAUTION! - WALL MOUNTING: AVOID INJURY OR DAMAGE TO PROPERTY

Always use appropriate screw and plastic plug for wall mounting bracket, depending on the wall material (e.g. nailable plug with screws for concrete or expandable plug with screws for drywall, etc.). If you are not sure of the type of wall, have a qualified builder or constructor inspect and recommend the correct screw and plug type according to local or national building standards.
