Product Overview

Whether you work, play or shop, Ambrane PowerVolt Router UPS ensures to keep all your activities uninterrupted and gives you absolute freedom from power cuts. This Router UPS is the power backup you need for staying connected to the internet for up to 5 hours without any disruptions. With Multi-layers of Protection like Overcharge Protection, Short Circuit Protection, Temperature Resistance and more, PowerVolt ensures continued internet connectivity and router device safety.

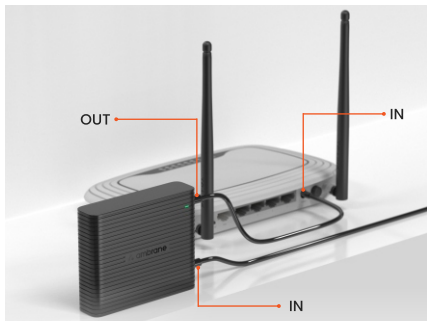

Product Specifications

- Input: 12V-2A
- Output: 12V-2A
- Battery Type: Lithium-Ion
- Battery Capacity: 6000mAh
- Charging Time: Up to 1 Hour
- Connectors: 3
- Power Backup: Up to 5 Hours (Depends on the router in use)
- Multi-Layers of Chipset Protection
- Smart LED Indicator
- Weight: 203g
- Dimension : L : 93 mm, W : 76.18 mm, H : 23 mm

How To Use

1. Unplug your router's AC/DC adapter and connect it to the PowerVolt input (marked 'IN').
2. Connect the supplied bridge cable to the PowerVolt output and your router's power input.
3. Turn ON the PowerVolt by moving the switch from OFF to ON.
4. Now your Wifi should be running.

Note: PowerVolt is meant to be used with devices rated 12V DC and up to 2A only. Check the power ratings mentioned on your adapter or router to ensure the same.

We recommend using the original branded adapter that comes along with your router.

If your router is not directly compatible with this router UPS, kindly try connecting your router with the router UPS using a converter cable provided along with it.

LED Indicator Status

Status	Indication
Power ON	Stable White Light
Power OFF	White Light OFF after 1-2 seconds

NOTE: If you notice random blinking, please reset it by turning ON/OFF twice and plugging in input. If the issue still persists, please contact us.

While Charging

Status	Indication
Charging (0% to 99%)	Blinking White Light
Fully Charged (100%)	Stable White Light

While Discharging

Status	Indication
Discharging (100% to 10%)	Stable White Light
Discharging (10% to 0%)	Blinking White Light
Fully Discharged (0%)	White Light OFF
