

Wave Fit Call
DIAL UP YOUR LIFE

USER MANUAL

QWAVE
WAVE FIT CALL

There are 2 ways to charge your Wave Fit Call. The first way is to use the magnetic charging cable. The second way is to use the USB-C charging cable. For more information, please refer to the charging instructions.

CHARGING THE WATCH
To charge the watch, connect the magnetic charging cable to the back of the watch. The watch will start charging automatically.

TETHERING THE WATCH TO A PHONE
To tether the watch to a phone, go to the Settings app on the watch and select Tethering. Then, follow the on-screen instructions to connect to your phone.

CONNECTING TO THE APP

1. Download the QWAVE app from the App Store or Google Play.

2. Open the QWAVE app and create a new account.

3. Follow the on-screen instructions to connect the watch to the app.
