Front

OPERATING INSTRUCTIONS

RGB LIGHT

Long press the M button to turn off the RGB Light
Note: Default mode will be RGB lights on.

HANDS-FREE CALL:

• Under Bluetooth connection status, if there is an incoming call, the user can short-press the Play/Pause button to accept the call or long-press Play/Pause button to reject the call.
• Short press the Play/Pause button or operate on the mobile phone to end the call.

BLUETOOTH CONNECTIVITY:

• Turn the speaker on. Its LED Indicator blinks in white colour until the pairing is done.
• Activate the phone's Bluetooth functionality and search for the name "Stone 750" and choose it to carry out the Bluetooth pairing.
• As soon as the Bluetooth pairing is done, the connection is indicated by a prompt & the white LED becomes solid.
Note: The speaker will automatically connect to the last paired device.

AUX MODE

•Connect one end of the provided cable to the AUX input of the speaker and the other to the external device.
•In AUX mode you can control the audio playback via the media device/phone.
NOTE: In AUX mode it is necessary to carry out the operation directly from the connected external device.

TWS CONNECTION:

1 Turn on the two Stone 750 speakers that you require to be forged into one. You only need to set one of the two units.
2. Press and hold the Play Pause "▶" Button on one of the two speakers for 2 seconds until you hear a sound.
3. After releasing "▶", it may take few more seconds for the speakers to connect.
4. Activate the Bluetooth function and search for stone 750 to establish pairing
5. It searches for the other speaker for a few seconds.
6. Once both the speakers get connected via TWS mode, it gets indicated by a sound prompt.
