# Highlights

## RapidAir technology

Crispy on the outside and tender on the inside, with little or no added oil. RapidAir technology with unique StarPlate creates perfect air flow to cook quickly and tasty every time.

## Up to 90% less fat

Cooking with hot air prepares your favorite dishes with up to 90% less fat without compromising on taste.

## 13 cooking methods in one

Air fry, bake, grill, roast and more. Set time and temperature manually or use the preset functions to unlock 13 different ways of cooking at your fingertips including reheating, defrosting and keep warm.

## Cooking window

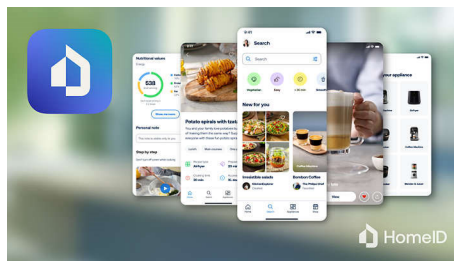

No more guessing. Keep an eye on your food to watch while it cooks and see when it's done to perfection!

## Touchscreen control

Easy-to-use touchscreen has 9 preset functions to choose from: frozen fries, fresh fries, chicken drumsticks, meat, fish, breakfast, vegetables, cake and keep warm.

## Kitchen+ Recipe App

Discover thousands of free recipes and specific settings for your Air fryer. 93% of users say the Kitchen+ app makes cooking easier.\*\*

## Quick and easy to clean

Save time on cleanup with our non-stick StarPlate that can be put in the dishwasher.

## Perfectly-sized

The compact design is ideal for every kitchen large or small. Holds up to 800 g of fries, 8 chicken drumsticks or 800 g of vegetables in a 6.2-liter pan.

## Save time and energy

Cook up to 50% faster & save up to 70% energy when cooking with Philips Airfryer instead of your oven.\*\*\*
