Cast-iron Cookware

Wonderchef cast-iron cookware is an ideal companion for heavy-duty and authentic cooking and is designed for a longer shelf life. Due to its thickness, it withstands a longer cooking duration and ensures even heating and heat retention. One of the most significant advantages of Wonderchef cast-iron cookware is that it not only helps preserve food nutrients but also releases some amount of iron content in your food, making it healthier.

Stainless Steel Cookware

Wonderchef Stainless steel cookware is made only from superior 304 quality stainless steel, which is anti-rust and of the highest 18/10 grade. These steel pans last longer and carry a warranty of up to 10 years against rusting, cracking, and material defects. To overcome the low conductivity of steel, these Wonderchef pans are made in 3-ply steel or have a 3-ply bottom. A layer of high-conductivity aluminium is sandwiched between the steel layers for uniform heating and better cooking results.

Nigella Triply
