Qubo

NEXT STEP: PURE AIR BLISS!

Prepare for Pure Air: Follow These Essential Steps.

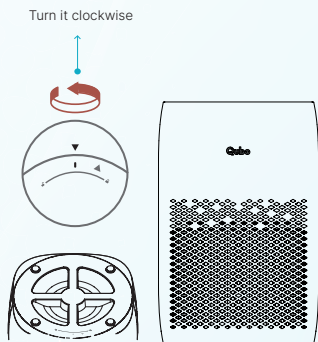

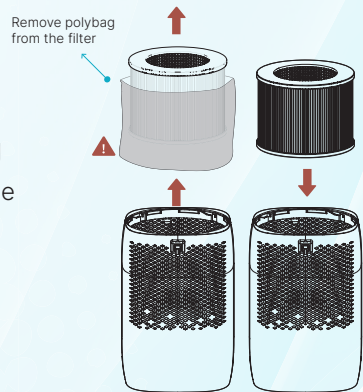

1. Unlock the air purifier

Put the smart air purifier on the table and turn it over. Hold the rotating cover from the bottom of the product & turn it anticlockwise to unlock and take out the filter.

2. Take out the filter & remove polybag

Remove the polybag from the filter and again place the filter in the smart air purifier

3. Lock & Cover the air purifier

Turn the bottom cover clockwise to tighten it.
