Quick Start Guide

Thanks for placing your trust in
SMART AIR PURIFIER Q500

**4 Layer
Filtration**

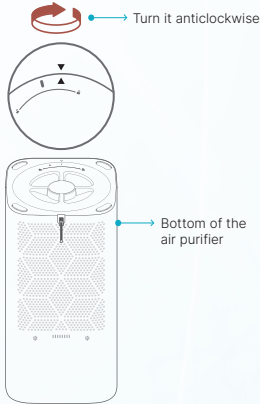

**Qsensa
Technology**

NEXT STEP: PURE AIR BLISS!

Prepare for Pure Air: Follow These Essential Steps.

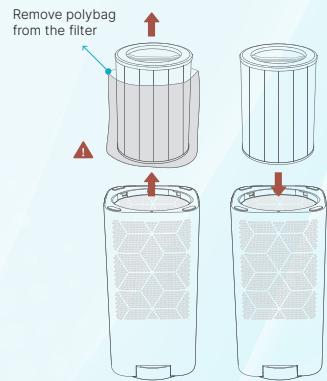

1. Unlock the air purifier

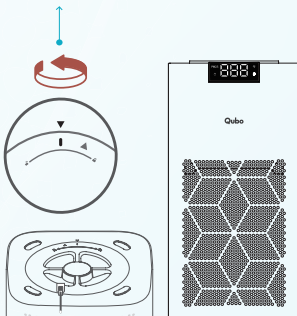

Put the smart air purifier on the table and turn it over. Hold the rotating cover from the bottom of the product & turn it anticlockwise to unlock and take out the filter.

2. Take out the filter & remove polybag

Remove the polybag from the filter and again place the filter in the smart air purifier

Turn it clockwise

3. Lock & Cover the air purifier

Align with the triangle shape on the bottom cover with the triangle on the machine and turn it clockwise to tighten the cover.
