POWER ON

The earbuds will automatically turn on opening the charging case.

POWER OFF

The earbuds will automatically turn off once placed inside the charging case with the lid closed.

PAIRING

- Open the charging case.
- Turn on the Bluetooth of your device.
- Select Add Device and from the list of devices, select Noise Buds VS104
- Your Noise Buds VS104 are now paired with your device and ready to use.

Note: Your Noise Buds VS104 will automatically connect to the last paired device as soon as you take them out of the charging case.

POWER ON

POWER OFF

RESET

- Make sure your earbuds are fully charged.
- On your paired devices, delete/remove Noise Buds VS104 from the list of paired devices in the Bluetooth menu.
- Open the charging case. Take out the ear buds.
- Long press both the earbuds for 5 seconds.
Earbud LED will blink once for 1 second then power off.
- Put earbuds back to the charging case, close the lid.
- Repeat the pairing process.

CHOOSING YOUR EAR TIP SIZE

Earphones are fitted with medium-sized tips. However, if you find they don't fit perfectly, please remove and try the small and large ear tips.

Follow the images and chart to learn how to wear the earbuds in the right manner.

SAFETY FOR YOU AND YOUR NOISE BUDS VS104

Follow these tips and you & your Noise Buds VS104 will be happy together for a very longtime.

-  Do not expose the earbuds to liquids, moisture or humidity as they have electronics and battery inside.
-  Don't use abrasive cleaning solvents to clean your new earbuds. Wipe them down with a slightly damp cloth if and when necessary.
-  Remove and clean the earbud tips regularly to ensure that you always enjoy the best sound possible.
-  Do not expose the earbuds to extremely high or low temperature as this may damage the battery or even deform the plastic parts.
-  Don't throw the earbuds in a fire to dispose of it. The internal battery may explode.
-  Don't try to disassemble your earbuds. There are no user serviceable parts inside it.
-  Try not to drop the earbuds and keep them away from sharp objects such as keys in your pockets.
-  Only charge your earbuds from 5V USB ports such as phone chargers and laptops or PCs.
-  Never listen to music at high volume or you may permanently damage your hearing.
-  Pay attention to your surroundings and never wear any earphones while riding, driving or walking in traffic.
